Grant reporting—Department of Broadband, Communications and the Digital Economy

Agencies are required to publish details of their individual grants on their websites no later than seven working days after the funding agreement for the grant takes effect.

A grant is a conditional transfer of resources from the Australian Government to a recipient for a specified purpose. Grants are directed at assisting recipients to achieve their own goals whilst also supporting Australian Government policy objectives.

This list was last updated on 30 May 2014.
