Can you please advise DFAT that I am to replace Greg on the panel for the remainder of the process. They will need to look at the processes necessary, if any (eg advising the applicants). And they will need to include me in any email traffic etc as appropriate.

Thanks

Peter

Am I to be involved even if Greg is back? Its not clear to me whether this is a fill-in or whether you want me to permanently replace Greg.

Greg will be back by July 11. Given that it will take a few days to prepare revised documentation and the tenderers will be given 21 days, he will be back well before additional material is received for assessment by the Panel.

For info.

Can you let DFAT know that you'll be taking Greg's place on the Tender Evaluation Panel. Ta.

Please find attached a version of the notice to tenderers cleared by PM&C and PMO. Mr Hubbard is currently taking this around ministers' offices (MFA and MDBCD). Happy to discuss, though I will be out of action for the next while and Dave is across. Dave will increasingly be holding the reins, in consultation with Philippa over here, but happy to be closely involved in the Cabinet decision follow up.
