The Commonwealth

The Commonwealth of Australia represented by the Department of Communications and the Arts (the Department).

Nishi Building
2 Phillip Law Street
New Acton ACT 2601
ABN 51 491 646 726

Background

The Commonwealth has agreed to enter into this Agreement under which the Commonwealth will provide the Grantee with one or more Grants for the purpose of assisting the Grantee to undertake the associated Activity. The Grantee agrees to use each Grant and undertake each Activity in accordance with this Agreement and the relevant Grant Details.

Scope of this Agreement

This Agreement comprises:
(a) this document;
(b) the Supplementary Terms (if any);
(c) the General Grant Conditions (Schedule 1);
(d) the Grant Details; and
(e) any other document referenced or incorporated in the Grant Details.

Each set of Grant Details, including Supplementary Terms (if any), only applies to the particular Grant and Activity covered by that set of Grant Details and a reference to the ‘Agreement’ in the Grant Details or the Supplementary Terms is a reference to the Agreement in relation to that particular Grant and Activity. If there is any ambiguity or inconsistency between the documents comprising this Agreement in relation to a Grant, the document appearing higher in the list will have precedence to the extent of the ambiguity or inconsistency.

This Agreement represents the Parties’ entire agreement in relation to each Grant provided under it and the relevant Activity, and supersedes all prior representations, communications, agreements, statements and understandings, whether oral or in writing.

Subject to clause 14 of the Commonwealth General Grant Conditions (Schedule 1 to this Agreement), certain information contained in or provided under this Agreement may be used for public reporting purposes.

Grant Details: Funding for coverage of under-represented sports

A. Purpose of the Grant

A.1 The purpose of the Grant is to support television and online coverage of under-represented sports, including women’s sports, niche sports, and emerging sports that exhibit high levels of community involvement and participation (the Grant Objective).

A.2 Although the Grantee will not be responsible for their achievement, the conduct of the Activity by the Grantee is expected to result in a number of secondary benefits, including the following:

(a) an increase in the ability for women’s sports, niche sports and emerging sports to grow participation, levels of community engagement, and their fan bases;

(b) an increase in the ability for women’s sports, niche sports and emerging sports to commercialise their content; and

(c) providing an opportunity to establish role models and pathways for aspiring athletes in the community, particularly young women.

A.3 For the purposes of this Agreement:

(a) Women’s sports means those sports that involve Australian female athletes or teams, and have a high level of community involvement and participation.

(b) Niche sports means domestic sports (generally played in Australia) that have an average television or online audience of 80,000 or less and involve Australian athletes.

(c) Emerging sports means domestic sports (generally played in Australia) that involve Australian athletes, that would be categorised as a supporting or development league, and that have a high level of community involvement and participation.

(d) Under-represented sports means sports with a history of low or no broadcast exposure in the mainstream Australian media, including women’s sports, niche sports or emerging sports.
B. Activity

B.1 The Activity is the production and communication of coverage of under-represented sports by the Grantee on the Grantee’s various media platforms, including subscription television, Internet Protocol Television (IPTV), Over-The-Top (OTT) streaming or video-on-demand services, digital media and social media.

B.2 The specific deliverables for the Activity will be set out in a Strategic Roadmap for each financial year for which the Grant is to be provided (2017-18 to 2020-21), as per the Activity Schedule. Refer to Term E for further details on the Strategic Roadmap.

B.4 The Final Performance Report will include audited financial statements detailing how the Grantee expended the Grant.

B.5 The Grantee must respond to all reasonable requests and provide all reasonable assistance required by the Commonwealth to enable the Commonwealth to undertake its assessment of any submitted Strategic Roadmaps or Performance Reports. If a submitted Strategic Roadmap or Performance Report is not satisfactory to the Commonwealth, the Commonwealth will use its best efforts to notify the Grantee of the shortcomings identified by the Commonwealth at least 10 business days prior to the applicable due date for the Acceptance of the relevant document. The Grantee must address the shortcomings identified by the Commonwealth and resubmit the document within any reasonable timeframe specified by the Commonwealth, for the Commonwealth’s consideration.

B.6 The Activity Schedule is outlined below. The due dates specified in the table below may be altered with the written agreement of the Parties.

   (a) The Grantee may submit any of the documents referred to in the Activity Schedule before the specified due dates.

   (b) The Grantee may submit any of the documents referred to in the Activity Schedule after the specified due dates, if circumstances warrant or necessitate a later submission, subject to the Commonwealth’s prior agreement. The revised due date of submission would be notified by the Commonwealth.

   (c) The Commonwealth may accept any of the documents referred to in the Activity Schedule before the specified due dates.

   (d) The Commonwealth will notify the Grantee of its acceptance of any of the documents referred to in the Activity Schedule no later than 20 business days from the Commonwealth’s receipt of the documents in a satisfactory condition. The 20 business days referenced above does not include any time during which the Grantee is making revisions or edits to the documents, as requested by the Commonwealth (as per Term B.5).

E. Strategic Roadmap

E.1 The Grantee will prepare a Strategic Roadmap for each of the financial years 2017-18 to 2020-21 and provide the proposed Strategic Roadmap to the Commonwealth in accordance with the Activity Schedule at Term B.6. Once accepted by the Commonwealth, each Strategic Roadmap will govern the Grantee’s use of Grant money in the applicable financial year, and will be the basis against which the Grantee’s performance of the Activity will be assessed.

E.2 The form and structure of the Strategic Roadmap will be a matter for the Grantee. However, each Strategic Roadmap must include the following:

(a) a breakdown of the proposed expenditure of Grant money for the financial year in question in terms of:
   i. the proposed under-represented sports that will be supported through the Activity; and
   ii. the amount of Grant money proposed to be expended in the financial year against each cost category (as identified at Term H2.1);

(b) an indication of whether the planned expenditure for the financial year in question is expected to lead to an increase or enhancement of coverage in the current financial year, or span multiple financial years;

(c) details of the activities undertaken by the Governance Team in recommending and selecting sports for additional coverage under the Grant and inclusion in the proposed Strategic Roadmap, including:
   i. the rationale for the selection of each particular selected under-represented sport;
   ii. consultation undertaken by the Governance Team, or the Grantee, with sports bodies associated with the selected under-represented sport;
   iii. previous media and broadcast coverage of the selected under-represented sports; and
   iv. which category(ies) of under-represented sport each selected sport falls into (e.g. women’s sports, niche sports, emerging sports or more than one of those categories); and

(d) the proposed coverage for the applicable financial year of under-represented sports that have been supported through the use of Grant money, including:
   i. the overall amount of coverage;
   ii. the form of coverage (live or delayed);
   iii. the media platform or platforms for coverage of the selected sport; and

E.3 A Strategic Roadmap may be amended at any point during a financial year, with the written agreement of the Parties.

E.4 The Commonwealth will assess each submitted Strategic Roadmap to determine whether it will satisfy the Grant Objective in a manner which achieves value for money outcomes.

E.5 Without limiting Term E.4, the Commonwealth will assess each submitted Strategic Roadmap with reference to the following criteria:
(a) the overall mix of selected under-represented sports for the applicable year;
